Dear Dr. Ponech,

Thank you for e-mailing a copy of the proposal to create an Anthropology of Religion Interest Group. With the list of persons interested in having the Interest Group formed in hand from a previous mailing, everything seems in order.

The proposal will be considered by the Administrative Advisory Committee in May and the AAA Executive Board in October. Therefore, if all goes as expected, the Group will be recognized before this year's Annual Meeting.

Once the Group has been approved, we will add the Interest Group to the list of AAA memberships of each person on your list. With this addition, we will be able to produce mailing lists for the Group. Also, membership in the Group will be listed on each members annual AAA dues renewal notice, with no charge indicated. We can confer on how to assess any charge for a newsletter when the time arises.

I will keep you informed as the proposal moves along.

In the meantime, if the Group wants a business meeting at the Annual Meeting, please be sure to request a room for such a meeting. You should contact Lucille Horn, meetings director.

Again, thank you for e-mailing the proposal, and my apologies for discarding the original mailing.

With best wishes.

Sincerely,

John M. Cornman  
Executive Director
