Please forward this message to all interested scholars.

Different groups of anthropologists will be meeting at AAA to discuss options for organizing those who study and teach the Anthropology of Religion. This message is a clarification of issues raised in an earlier communication that appeared on ANTHRO-L.

1. The Society for the Anthropology of Religion already exists. It was founded at the 1995 AAA Meetings in Washington. SofAR held its first Annual Conference on May 10-11, 1996, at Iona College in New Rochelle, New York.
2. A SofAR ORGANIZATIONAL (AND BUSINESS) MEETING IS SCHEDULED TO TAKE PLACE AT THE AAA MEETINGS IN SAN FRANCISCO ON THURSDAY EVENING, 6:15-7:30 PM. (Check your program for the room location). Everyone is welcome, of course. The agenda for the SofAR Meeting will include: a report on our first year of existence; discussion of plans and events for the future; and, we hope, a dialogue with those who would join with us in exploring additional avenues, such as achieving Section Status within the AAA.
3. Other meetings of other bodies are also scheduled for other days. It would be wonderful if, by the time the AAA Meetings are over, we are all working in tandem.

The officers and members of the Society for the Anthropology  
of Religion (SofAR) look forward to seeing you in San  
Francisco at our meeting on Thursday night.
